PROJECTS

- Mock Employee Directory
  - Using an API, this directory builds employee profile models, to simulate a prototype directory, with detailed information about the employee.
- Interactive Registration Form
  - Created a Full-Stack conference page, using vanilla JavaScript. This form includes real-time error messaging, and invalid form submission for a better user experience.

WORK EXPERIENCE

Organization for Psychoeducational Tutoring Inc. **Vestal, NY**
Intern *October 2020 – May 2022*
- Provide individualized tutoring services for a six-year-old student with ADHD by administering a curriculum emphasizing psycho-educational skills intended to strengthen the student's mental health and improve self-confidence
- Prepare lessons corresponding to emergent reading skills and word recognition to establish proper language skills
- Analyze areas of weakness as well as improvement to quickly adjust lessons to better educate and help the student

AIM Services **Centereach, NY**
Community Habilitation *September 2020 – February 2021*
- Maintained several one-on-one mentoring relationships with individuals with intellectual disabilities to foster social skill development, increase independence and self-assurance, and taught essential at-home tasks such as cooking and cleaning
- Produced a prototypical spreadsheet in Excel consisting of each person's name, date of meetings, and their progress throughout the program to frame subsequent meetings around the needs of each individual and reinforce certain concepts

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

Crime Victims Assistance Center **Vestal, NY**
Volunteer Advocate *September 2020 – April 2022*
- Provide first-line crisis intervention assistance to victims in multiple counties through a 24/7 hotline by listening to callers and dispatching appropriate personnel to ensure victims feel safe and have access to the proper resources needed to manage a crisis
- Record details of calls in an online forum recounting time, name, description of crisis, and types of resources administered to provide effective and personalized assistance to repeat callers and to contact essential emergency services if necessary

Best Buddies **Vestal, NY**
Peer Buddy *September 2018 – Present*
- Organize social events for individuals with disabilities and their families by outlining a budget, arranging funds through donations, and ensuring proper planning and assembly of supplies and personnel required to run the event

Sharp Club **Setauket, NY**
Member *September 2015 – June 2018*
- Coordinated fundraising events, chapter meetings, and organized a Math-and-Movement night for over 100 students and their families by working directly with student council to acquire resources and boost awareness to maximize participation and learning
- Mentored and tutored elementary-aged students and created a curriculum with educational lessons and games to promote learning and enhance engagement which received positive reviews from parents and led to higher average test grades

Paper Airplanes: Refugee Program **Setauket, NY**
Tutor *September 2017 – June 2018*
- Taught English to Syrian refugees preparing for the IELTS or TOEFL exam and created structured lecture material detailing language skills including sentence structure, parts of speech, essay formatting, public speaking, and reading comprehension
- Engaged in cooperative meetings on how to improve the language curriculum and offer the most effective assistance while also discussing how to recruit and subsequently train new tutors which boosted volunteer headcount and exam pass rates
